

*TopCare Providers*

# YOU HAVE AN EYE FOR TALENT, SO DO WE

Marpai makes it easy for members to find high quality in-network providers that with fair fees, even specialists ranked in the top 10% for quality, safety and patient satisfaction. By improving care quality without excessive costs, everyone gets ahead.

# ELIMINATE GUESSWORK. REDUCE MEDICAL SPEND. ELEVATE CARE QUALITY.

When a members need a complex, high cost medical procedure, searching for and finding the right care can be overwhelming, especially with the vast quality and cost disparities between providers. Marpai makes it easy to find in-network providers that deliver top quality care without excessive costs. We know the most common complex, high-cost procedures that present substantial cost savings opportunities for both employers and members.

*"TopCare has been successful in connecting our people with very qualified, high quality, decent human beings. Good specialists for the care. They appreciate the program because everybody recognizes that without it, you're just guessing. You're taking a shot in the dark. People really appreciate options based on data and not just somebody's opinion."*

Marnie Zimmerman,  
Health care Benefit Consultant, Ward-Kraft, Inc.

## Employers Can SAVE 50% OR MORE ON SOME COMPLEX CASES

When members make informed, high-value provider choices, outcomes tend to go up and costs tend to come down. Employers can save an average of \$1500 each time a member chooses a TopCare provider and sometimes more than 50% on a complex case. For deeper savings, employers add an incentive program to reward quality-driven, cost-effective health care choices.

# MARPAI

What will be.

Prices for the same procedure can  
vary **1000%** between in-network  
facilities in the same market.

Data shows that less than one-third of enrolled members choose high-value providers for complex procedures. Our TopCare Advisors connect members to top quality in-network providers that meet their unique needs at a fair price. This includes specialists ranked in the top 10% for quality, safety and patient satisfaction. Our data is based on real claims from thousands of procedures and quality rankings are risk and volume adjusted for accuracy (Health care Bluebook data). Employers are amazed at how quickly members adopt TopCare and how quickly they see an impact on their spend and care experience.

Members quickly learn the importance of shopping for higher-quality, fair priced providers. TopCare Advisors explain the TopCare cost savings and incentives (when available). Members tend to be more satisfied when they reduce out-of-pocket expenses.

Members easily request a TopCare Provider  
by using the myMarpai SMART app, member  
portal or by calling the number on their  
health ID card.

## Protect Members from Overpriced, Low Quality Health Care

When members experience a health crisis it can be extremely emotional. Beyond the potential financial impact, they may have physical pain or be overwhelmed by difficult decisions. Our caring TopCare Advisors make sure every member finds the right high-value provider for their unique need. This not only saves money and supports quality outcomes, it removes a whole lot of stress.
