

PHARMACY ADVOCACY COST CONTAINMENT SOLUTION (PACCS)

You save up to **75%** on pharmacy spend and members reduce/eliminate copays when our experts guide members on the pharmacy journey.

Pharmacy Advocacy Cost Containment Solution (PACCS) is our member-driven pharmacy savings program that focuses on specialty and high-cost medications to generate up to a **75% savings**. It's part of our *Marpai Cares* promise to create the healthiest member population with the greatest cost efficiency for your health plan budget. By helping members navigate the complex pharmacy landscape, we extract savings every step of the way.

REPRESENTATIVE CLIENT SAVINGS

For Sample Marpai Clients -
Over **\$1.5 Million** in Savings!

Client A

- 1 member taking a specialty drug

- Annual Savings: **\$150,000**

Client D

- 3 members taking specialty drugs
- Before PACCS: \$200,000
- After PACCS: \$50,000
- Annual Savings: **\$150,000**

WHAT YOU GET

Significant Pharmacy Savings

Conquer rising pharmacy costs with savings up to **75%** on pharmacy spend.

Success Based Program

You pay a portion of the savings only when savings are generated.

True Member Advocacy

Our pharmacy experts guide members one-on-one and navigate the pharmacy landscape. They assess needs, review prescriptions, affordably source medications, find alternate funding sources and support compliance.

FEATURES

- PBM agnostic, works with most PBMs
- Integrates with Marpai's Care Management (if purchased)
- Add any time of year - no need to wait for renewal

AND THIS JUST IN:

Client E has already saved over \$100,000 with PACCS in **JUST 6 MONTHS** - translating into savings of \$200 per employee per month!
