

Provider Price Transparency

THE myMARPAI MEDICAL SHOPPING TOOL SHOWS IN-NETWORK PROVIDER PRICING AND KEEPS HEALTH PLANS COMPLIANT

Protects members from overpaying for care and keeps health plans compliant with current legislation.

The **myMarpai Medical Shopping Tool** gives full price transparency to members on in-network medical services. This is required by the Transparency in Coverage Rule and No Surprises Act, and makes health plans compliant with this legislation. It is a compliance solution with an unmatched digital experience that makes members into smart consumers of healthcare.

The tool shows the actual prices charged for services and procedures by in-network providers, and the savings that can be achieved with choices. Members can easily compare prices and convenience. They will learn how prices can vary radically across in-network healthcare providers, even in the same town, and how to avoid paying 5x to 10x more than needed.
