Orthopedic Care:

REDUCE PAIN, AVOID UNNECESSARY SURGERIES, RECOVER FASTER

Vori Health is the only nationwide specialty medical practice offering personalized care and proven relief for back, neck, and joint pain. Marpai has selected Vori Health as a best-in-class clinical care provider for orthopedic support so you have access to treatment that works.

How does Vori work?

Vori Health is the only nationwide medical practice that treats any muscle, bone, and joint issues with doctor-led care teams. You get evidenced-based clinical care all under one roof. No more bouncing around from one referral to another, with Vori Health you have a team of clinicians treating you holistically and avoiding unnecessary opioid usage, surgeries, and complications.

Have you had a recent injury or accident?

Vori addresses acute pain from the sprains, strains, twists, and more.

Do you have pain that keeps flaring up?

Vori gets to the bottom of those periodic aches and pains that set you back.

Are you living in pain most days?

Working together with you, Vori treats the long-term issues that keep you from doing what you love.

MEMBER STORY

What matters to Jackie

Going for long hikes with her chocolate lab Choco.

How she found Vori Health

Jackie's employer promoted a new benefit, Vori Health. Jackie was tired of her pain and wanted to get back to her life, so she scheduled a visit.

Why she came to Vori Health

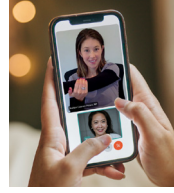

Lower back pain, knee pain.

Support she received

After her initial intake with a sports medicine doctor, Jackie needed an anti-inflammatory prescription, 12 weeks of virtual physical therapy, and health coaching to optimize her nutrition and daily habits.

What Jackie achieved

Jackie lowered her back pain from a 6/10 to a 0/10. She now enjoys walking 30 minutes daily with her dog.

Every patient is unique. Each plan is personalized.

Everyone's pain and path to recovery is different. Vori builds a practical treatment plan around your needs and goals, designed to fit your schedule. The Vori team supports you every step of the way. Vori is available at no cost to you and eligible dependents as part of your health plan.
