

92%

of Oshi Health members gain control over their digestive symptoms within 10 weeks.

Covered
with your
health plan

Are you getting the digestive support you need?

As a Marpai Health member, you now have access to Oshi Health, a virtual digestive health clinic - **as a covered benefit.**

Oshi Health diagnoses and treats **Chron's disease, ulcerative colitis, IBS, bloating, nausea, and other GI concerns** to help members find relief through ongoing, integrated care.

- ✓ GI provider visits
- ✓ Personalized care plans
- ✓ Tailored dietary guidance
- ✓ Gut-brain therapies

Even if you're already working with a gastroenterologist, Oshi Health can enhance your care to help you get to the root cause of your symptoms and take back your life from digestive issue.

Oshi Health GI services are included in your health plan.

To get started, visit <https://oshihealth.com/marpai/> or scan the QR code.
