

MARPAI

What will be.

PHARMACY ADVOCACY COST CONTAINMENT SOLUTION (PACCS)

You save up to **75%** on pharmacy spend and members reduce/eliminate copays when our experts guide members on the pharmacy journey.

Pharmacy Advocacy Cost Containment Solution (PACCS) is our member-driven pharmacy savings program that focuses on specialty and high-cost medications to generate up to a **75% savings**. It's part of our promise to create the healthiest member population with the greatest cost efficiency for your health plan budget. By helping members navigate the complex pharmacy landscape, we extract savings every step of the way.
